

TRATON

ADMINISTRATIVE AUDIT & INVESTIGATION

INTERNAL AUDITOR & INVESTIGATOR (M/F/D)

THE JOB

- / Risk assessment, planning and conducting operational and financial audits, unscheduled audits, compliance reviews and follow-ups at TRATON SE
- / Planning and conducting investigations and forensic audits particularly in case of suspected fraudulent behavior
- / Identification of risks, opportunities and improvement potential as well as process and control gaps
- / Usage of SAP, ACL and Teammate for data analysis and documentation of audit results
- / Preparation of detailed audit and investigation reports in German and English and presentation of results to management and corporate bodies
- / Continuous improvement of the investigation process and further development of the audit function

YOUR SKILLS

- / University degree in business administration, forensics, psychology or a comparable qualification
- / Several years of relevant professional experience, preferably in internal audit, a forensic auditing firm or investigation services
- / Good understanding of business processes and ability to analyze complex processes
- / Experience in forensic interview techniques and forensic data analysis
- / Strong communication, personal management and organizational skills.
- / Team player with intercultural competencies and experience in an international environment
- / Fluency in German and English, additional languages preferable and willingness to travel worldwide
