

GROUP COMMUNICATIONS & GOVERNMENTAL RELATIONS

SPECIALIST TRANSFORMATION & CHANGE COMMUNICATIONS (M/F/D)

As Specialist Transformation & Change Communications, you will be part of the Strategic Communications & Operations team supporting high priority strategic initiatives and key projects.

THE JOB

- / Develop, coordinate, and deliver customized communications plans and supplemental content materials centered on change management and transformation
- / Support various integration activities and change management initiatives
- / Act as the change management communications subject matter specialist ensuring industry best practices are being deployed through all transformation and change projects
- / Act as point of contact for the development of lead content for transformation and change management communications activities
- / Support with messaging and presentation materials, assessing, anticipating, and addressing communications content needs that will help make change and transformation smooth and effective for all leaders and employees

YOUR SKILLS

- / Degree (preferably Master's) in Business Administration, Marketing, Communications, Design or comparable qualification
- / Excellent interpersonal communicator
- / Knowledge and experience in transformation and change management communications planning and execution
- / Strong ability to self-start and communicate cross-functionally
- / Strong project management skills
- / Excellent English and German skills (spoken and written)
