Notification of Legal Name Change from Scania Finans AB to TRATON Finans AB

Dear Customer,

We would like to inform you that **Scania Finans AB** is changing its legal name to **TRATON Finans AB**. This is an important development in our company structure that reflects our long-term commitment to supporting your business with reliable and flexible financial solutions.

As part of our continued geographical expansion within the TRATON Group, we are evolving our financial services setup to operate under a unified legal structure, while maintaining the same brand-specific support and local presence you are familiar with.

This change is **planned for October 1st 2025**, the effective date is subject to local authorities' registration.

Please rest assured that **this is a change in name only: our legal identity -therefore our organization and VAT numbers- operations and commitments to you remain unchanged.**

While our legal name will be TRATON Finans AB, we will **continue to operate under the trading name Scania Finans**. This means that you will continue to experience the same service and support you already know.

Please record both Scania Finans –the trading name- **and TRATON Finans AB** -the legal name- for formal documentation such as contracts or invoices.

All current agreements, services and contact persons will stay exactly the same. Your day-to-day business with us continues as usual.

As good practice, we recommend **keeping a copy of this letter together with your vehicle documentation** for future reference, especially when driving abroad.

Thank you for your continued trust.

Should you have any questions, your usual Scania Finans contact person will be happy to assist.

Warm regards,

Scania Finans
