

Project Controller (m/f/d)

TRATON SE is a subsidiary of Volkswagen AG and a leading commercial vehicle manufacturer worldwide with its brands MAN, Scania, Volkswagen Caminhões e Ônibus, and RIO. In 2018, TRATON GROUP's brands sold around 233,000 vehicles in total. Its offering comprises light duty commercial vehicles, trucks and buses at 29 production and assembly sites in 17 countries. The Company had a workforce of around 81,000 employees

worldwide across its commercial vehicle brands as of December 31, 2018. The Group seeks to transform the transportation system through its products, its services, and as a partner for its customers. The M&A team leads discussions and transactions with external parties regarding joint ventures, acquisitions/divestitures and business cooperations.

Your tasks

- Conduct and assess financial feasibility studies & risk analysis incl. comparison of different strategic scenarios for common development projects
- Perform and coordinate financial evaluations and business case calculations for localization projects of TRATON Group companies and strategic cooperation partners
- Support in developing and improving financial methods for common projects, incl. harmonizing processes
- Ensure compliance with and consistent application of defined standards and rules across brands.
- Prepare and present decision documents in cross-functional committees

Your profile

- Bachelor / Master degree in Business Administration and/or Industrial Engineering or comparable qualification
- Minimum of 3 years professional experience in Controlling, preferably in the automotive industry
- Entrepreneurial competence with high level of analytical ability and problem-solving expertise
- Experienced in standardization of methods and processes
- Interdisciplinary and result-oriented way of working, strong negotiation and communication skills
- Fluent in English and German language
- international experience of advantage
- Having additional experience from working in a fast-moving startup culture is a plus
