

# Political Strategy & Associations (m/f/d)

TRATON SE is a subsidiary of Volkswagen AG and a leading commercial vehicle manufacturer worldwide with its brands MAN, Scania, Volkswagen Caminhões e Ônibus, and RIO. In 2020, TRATON GROUP's brands sold around 190,200 vehicles in total. Its offering comprises light-duty commercial vehicles, trucks, and buses at 29

production and assembly sites in 17 countries. The Company had a workforce of around 82,600 employees worldwide across its commercial vehicle brands as of December 31, 2020. The Group seeks to transform the transportation system – with its products, its services, and its partnerships with its customers.

## Your tasks

- Managing the successful positioning of TRATON GROUP in political environment through identification of chance and risk issues
- Independent representation of the Head of Governmental Relations and regular reporting on political-strategic developments to TRATON departments
- Monitoring political developments in the commercial vehicle sector, creating recommendations for internal and external use and supporting communication campaigns
- Being the bridge between politics and communication and the interface to political communication of the brands
- Political representative of TRATON on working group level, professional dialogue/contact management with politics, business and society
- Preparing of briefing papers, presentations as well as ensuring the preparation and follow-up of appointments

## Your profile

- Degree in economics, political science, public affairs and at least 3 years of professional experience in a responsible position in companies, politics, ministries or associations
- Sound and appropriate professional experience in public affairs or politics
- Enthusiasm for all topics at the interface of politics, economy and society - existing relationships with relevant stakeholders are highly desirable
- Writing succinct and clear communications to complex topics, as well as writing for the company's management
- Intercultural skills, resilience and flexibility, open-minded personality and technical understanding, high willingness to travel and teamwork
- Fluent in spoken and written English and German is essential, other languages are beneficial.
