

# Internal Auditor (m/f/d)

**TRATON** is an entity of Volkswagen AG and a leading commercial vehicle manufacturer worldwide with its brands MAN, Scania, Volkswagen Caminhões e Ônibus, and RIO. In 2020, TRATON GROUP's brands sold around 190,200 vehicles in total. Its offering comprises light-duty commercial vehicles, trucks, and buses at 29 production

and assembly sites in 17 countries. The Company had a workforce of around 82,600 employees worldwide across its commercial vehicle brands as of December 31, 2020. The Group seeks to transform the transportation system through its products, its services, and as a partner for its customers.

## Your profile

We are looking for you who have a university degree in engineering or other relevant university degree. A professional experience in internal audit, management consulting, project management or engineering is an advantage. You have the ability to analyze complex issues from a range of perspectives and form considered judgements around the actions to be taken (ability to see the big picture as well as the details). To succeed in this role we believe you are prestige less and have a flexible communication style with the ability to adjust your approach and influence others. Since we are working in an international environment you should have intercultural competence, experience in an international environment and be fluent in written and spoken English. The role includes some travels to our group brands and an openness to this is encouraged

## Responsibility

- Perform cross-brand assurance and advisory tasks, towards the goal of adding value to improve efficiency and effectiveness of business processes and to strengthen integrity
- Perform cross-brand assurance and advisory tasks within the areas: Strategic Product Planning, Research & Development, Alliance Mgmt., Production and Purchasing
- Be a vital part of the audit need assessment/planning and scoping
- Communicate findings and recommendations to TRATON group (incl. brands) heads of functions and upper management
- Be part of the buildup of the TRATON internal audit

## More information

TRATON GROUP has this vacancy in TRATON COO Office in Södertälje, starting at the earliest possible date. For more details please contact Elin Pekkarinen, Acting Head of Technical Business Processes Audit, +46 8553 89935 or [jobs@traton.com](mailto:jobs@traton.com).

## Application

We look forward to receiving your full application indicating the complete job title via e-mail at [jobs@traton.com](mailto:jobs@traton.com)

# Internal Auditor (m/f/d)

## Who we are

The team provides independent and objective audit and consulting services, which are oriented towards the goal of adding value to improve effectiveness and efficiency. The audits and consulting services provided are focusing on TRATON Holding as well as Cross-brand topics, initiatives and processes.

We are working in an international environment and collaborating with our colleagues in the whole group. We are a team of dedicated people from with various backgrounds in the fields of engineering, internal audit, management consulting, business development and data science.

We enjoy solving problems with our crossfunctions and the brands in the TRATON Group and always try to find the best solutions for the Group. We strive for a climate where opinions and knowledge is openly shared within the team and we welcome new ideas in order to create dynamic synergies.

The department Technical Business Processes Audit is now searching for a new colleague who finds it meaningful to collaborate with different parties in an international environment in order to build a successful team and support our TRATON Mission to become the Global Champion in the commercial vehicle industry.
