

JOB TITLE

Data Analyst - Corporate Audit (m/f/d)

TRATON
G R O U P

TRATON SE is a subsidiary of Volkswagen AG and a leading commercial vehicle manufacturer worldwide with its brands MAN, Scania, Volkswagen Caminhões e Ônibus, and RIO. In 2018, TRATON GROUP's brands sold around 233,000 vehicles in total. Its offering comprises light duty commercial vehicles, trucks and buses at 29 production and assembly sites in 17 countries. The

Company had a workforce of around 81,000 employees worldwide across its commercial vehicle brands as of December 31, 2018. The Group seeks to transform the transportation system through its products, its services, and as a partner for its customers.

Your tasks

- Develop, apply and improve standards, methods, algorithms and solutions for data analysis
- Perform data analysis for audits
- Support data acquisition and data processing including data modeling and implementation of data quality controls
- Apply data mining and process mining techniques
- Support the development of the Data Intelligence approach within the audit department and Volkswagen Group
- Audit methodology development (e.g. robotics)

Your profile

- University degree in Computer Science, Mathematics or Business Informatics or a comparable qualification
- Safe handling of scripting languages and technologies for Data analysis such as Python or R
- Good knowledge / experience with analysis software (e.g. KNIME, Matlab) and database languages desirable
- Knowledge in the conception and development of new methods for analysis of large amounts of data
- High analytical competence
- Strong process orientation
- Fluency in English and German, additional languages preferable
