

TRATON

GROUP COMMUNICATION, GOVERNMENTAL RELATIONS & SUSTAINABILITY

HEAD OF EMPLOYEE & PLATFORM COMMUNICATIONS (M/F/D)

We are looking for a strong leader with extensive communications experience to head a key department in our communications area. The TRATON GROUP is undergoing an extensive transformation, and we want to translate this change to our internal target groups, but also via relevant digital platforms. Become part of an international team and contribute your own ideas to our success story!

THE JOB

- / Drive transformation within TRATON by means of innovative employee communication formats, tools and content; contribute to create and maintain an internal environment that strengthens the identification of all employees with TRATON;
- / Ensure a modern and innovative digital platform setup (corporate website, social media channels and intranet) that helps to boost the positive perception of TRATON among the target groups and our brands;
- / Lead a team of highly motivated communicators; be a role model for your team, inspire your team, provide guidance and enable your team to deliver high performing results.

YOUR SKILLS

- / Degree in journalism, communication studies, languages, economics/business studies, or similar fields;
- / At least ten years' experience working in communications, at least three years in a leadership function; experience in leading international project teams;
- / Skilled communicator that also has an excellent understanding for internal communication and digital platforms (corporate website, social media channels, intranet);
- / Ability to work in a highly dynamic environment and to deal with uncertainties and master high pressure;
- / Experience in leading international project teams; enjoy working in an international environment characterized by cross-functional cooperation and alignment processes;
- / Fluent in spoken and written English and German.

BECOME PART OF OUR SUCCESS STORY

Play a decisive role in shaping our path to becoming a Global Champion — then we look forward to receiving your full application indicating the complete job title, salary expectations, and earliest starting date via e-mail:
