

JOB TITLE

Inhouse Consultant IT-Architecture and -Technology (m/f/d)

TRATON
G R O U P

TRATON is a wholly-owned subsidiary of Volkswagen AG and a leading commercial vehicle manufacturer worldwide with its MAN, Scania, Volkswagen Caminhões e Ônibus, and RIO brands. In 2017, TRATON GROUP's brands sold around 205,000 vehicles in total. Its offering comprises light-duty commercial vehicles, trucks, and buses which are produced at 30 sites in 18 countries.

The Company had a workforce of around 81,000 worldwide across its commercial vehicle brands as of December 31, 2017. The Group seeks to realign the transportation system through its products, its services, and as a partner for its customers.

Your tasks

- Service-Provider coordination and management, internal and external
- Project management for client services and IT infrastructure extensions (e.g. Office 365, cloud technologies)
- Creation and evaluation of IT concepts and group-wide IT architectures, considering IT Security and existing group wide conditions
- Support and execution of tenders
- Standardization of service processes

Your profile

- Completed academic studies e.g. MBA or equal education
- Professional experience in project management functions
- Professional experience in IT Service and client management processes
- Knowledge of cloud architectures and other actual IT technologies
- High intercultural competences
- Fluent proficiency in written and spoken German and English
