TRATON
G R O U P

Information Technology / Head of Cross brand projects (m/f/d)

TRATON is a wholly-owned subsidiary of Volkswagen AG and a leading commercial vehicle manufacturer worldwide with its MAN, Scania, Volkswagen Caminhões e Ônibus, and RIO brands. In 2017, TRATON GROUP's brands sold around 205,000 vehicles in total. Its offering comprises light-duty commercial vehicles, trucks, and buses which are produced at 30 sites in 18 countries.

The Company had a workforce of around 81,000 worldwide across its commercial vehicle brands as of December 31, 2017. The Group seeks to realign the transportation system through its products, its services, and as a partner for its customers.

Your tasks

- Coordination of cross brand IT projects within the TRATON Group and management of the cross brand IT-project portfolio
- Definition of methods and cooperation models in order to achieve the best results
- Leading international cross-brand teams
- Steer complex projects between TRATON brands and partners
- Setup of a cross brand demand management and prioritization process for the TRATON Group
- Definition of project goals that are inline with the TRATON strategy

Your profile

- Master in computer science or comparable education
- Deep insight into business processes. Especially in the areas of Production, Logistics and Engineering
- Leadership competencies and social skills
- Experience in managing complex projects in a global environment
- Excellent problem-solving and conceptual skills, pragmatic and result-oriented
- English business fluent, German or Swedish preferable
