

# Head of CTO Cab, Chassis, Bus & Complete Vehicle (m/f/d)

**TRATON**  
G R O U P

**TRATON** is a wholly-owned subsidiary of Volkswagen AG and a leading commercial vehicle manufacturer worldwide with its MAN, Scania, Volkswagen Caminhões e Ônibus, and RIO brands. In 2017, TRATON GROUP's brands sold around 205,000 vehicles in total. Its offering comprises light-duty commercial vehicles, trucks, and buses which are produced at 30 sites in 18 countries.

The Company had a workforce of around 81,000 worldwide across its commercial vehicle brands as of December 31, 2017. The Group seeks to realign the transportation system through its products, its services, and as a partner for its customers.

## Your tasks

- Chair and lead cross-brand meetings and technical workshops, such as Sub-TBTCs
- Utilize your leadership, technology & engineering skills to drive technical discussions and come to strategic conclusions
- Mitigate double work within Group, generating synergies, by defining common components, interfaces, standards and methods
- Secure development of Group common interfaces by close interaction with the of Common Layout Team
- Challenge, approve and follow-up brand plans/budgets, including investment plans in testing facilities
- Ensure that cross-brand Technology Road Maps are developed, followed and updated together with product planning and brands
- Support the MoMa (Modularization Management) team within technical responsibilities
- Lead, coach and evaluate your team members

## Your profile

- Proven senior R&D managerial experience within the Group – strong leadership skills
- Expertise within mentioned responsibilities as well as business management
- Great network within the TRATON R&D organization
- Strong communicative and co-operative abilities
- Capability to independently drive and moderate complex challenges between parties
- Ability to work in international and complex organizations, driving change while motivating your environment
- Capability to work within a loose framework, handle new situations, be flexible, handle change and address new unfamiliar areas
- Willingness to work in an international, cross-brand context and travel thereafter
- Excellent English communication skills with long experience of reporting to top management
